HERE WE GO AGAIN!

(Could this be a hidden agenda?)

YOU NEVER KNOW!

Why are *Hector Pena, Robert Wells and Candy Madrigal* running for City Council? If these three get elected, consider this real possibility. Our Police Chief would be fired. *Robert Wells* would resign from the City Council and could then be appointed as the New Police Chief. That would leave an opening on the Council to which Eugene Lowe would be appointed. Our City Secretary would be fired and guess who is waiting in the wings to take her place? County resident *Lori McDonald*. Let's recap. Police Chief Robert Wells, Council members Eugene Lowe, Hector Pena and Candy Madrigal, City Secretary Lori McDonald. Could Tom Lauer not be far behind as City Administrator? Please consider this REAL possibility very carefully before you cast your ballot.
